Begin at Hamer Hall, Melbourne's premier venue for orchestral performance, where six levels of opulent gold and amber interiors await. Step inside the exclusive Truscott Lounge, then peek into the grand, cave-like auditorium - designed to reflect Australia's gemstone deposits.

Then cross to the Theatres Building, home to three of Melbourne's most beloved theatres. Journey through richly textured foyers and grand performance spaces in hues of ruby and mauve. Each foyer space and auditorium has its own distinguishing features to enhance one's journey to a show. Please bring water bottle, sunhat, brolly (it is spring) and your completed U3A name tag.
